Worship each week is at 8:30 a.m. & 10:45 a.m.: Each week we offer two services—an early more traditional service at 8:30 a.m. and a later more contemporary service at 10:45 a.m. The blessing of this schedule is that it allows for at least 45 minutes of fellowship over coffee and goodies in our Fellowship Hall with all worshipers from both services together. Please plan to join us for fellowship and worship! Fellowship is at 9:45-10:30 a.m.

Offerings: We thank each of you for your continued financial support of Holy Cross. Donations may be made through our website, through your bank, through automatic transfers, by mailing a check into the office, or at one of the in-person services. Donations received from Dec. 25-31, 2023 were \$27,320.00. \$5,000.00 of that was allocated for SOLA. Questions? Need help? Contact the office at 509-483-4218 or *secretary@holycrosslcms.net*.

Please pray for our class of new leaders and if you are interested in joining, please fill out an application and begin the discerning process today as it needs to be done before the classes start. There are applications on the long oak table in the Narthex. Questions? Contact Don Comi at 509-990-8145.

Coffee Call: Needing regular coffee again. No decaf please, we have plenty. We could also use some individually wrapped tea bags so if you have a favorite tea you would like to share that would be great. Please bring all donations to the kitchen. Thank you!

Missing a favorite dish? We have several dishes that have been left in the kitchen or Fellowship Hall over the last few weeks. Stop by and see if any of them look familiar and need to find their way back home. Thanks.

Holy Cross Resource Conservation Initiatives: Holy Cross recently implemented three initiatives to conserve resources and money: (1) a retrofit to all LED lighting, (2) a smart water irrigation system, and (3) smart thermostats. The thermostats have been set based on planned activities in the church. When the space is not scheduled they are set to 60 degrees in the winter and 90 degrees in the summer. This will save money, energy, and increase the life of our HVAC system. If the space is not at a comfortable temperature for your group, feel free to make an adjustment for the time you are here but please return the thermostat to the standard set point (60 degrees winter, or 90 degrees summer) when you are finished using the space. You can learn more about these initiatives in our January newsletter. If you have questions or concerns please call John Gillette at 509-990-7959.

The Lost and Found Box has found a few new things lately, so if you're missing something, go take a look. It's located in the hallway to the south of the sanctuary. The box has recently found a "tree" earring in the Fellowship Hall and an insulated cup and sweatshirt in the Narthex.
